Club Overview

The East Coast Eagles are one of the premier Australian Rules Football Clubs who compete in the AFL Sydney Competition. The Club fields four teams across the competition including 3 senior teams as well as 1 under 19 team.

In 2009, the Eagles won the Premier Division premiership which was the first time ever the club has achieved this ultimate goal. The club completed an historic 'Three-Peat' by winning the competition again in 2010 and 2011.

In 2015, the club returned home to compete in the Sydney AFL competition after a stint in the NEAFL league. In 2016 we rose to the top and won the Sydney AFL competition once again.

The Eagles play out of Kanebridge Oval in the heart of the Sydney Hills at Rouse Hill which was purpose built for AFL football.

In 2018, the Eagles will face new challenges and will be looking to build further on the strong foundations that the club has established.

We hope that we can partner in 2019 for another big year!

2019 is the year to get on board!
