“EAGLES
EXTRAVAGANZA”

GET IN EARLY TO
EARMARK AN ELITE
EAST COAST EAGLE
AND ENHANCE YOUR EARNINGS.

HOW DO I DO IT?

1. The list of 20 player groupings should be analysed carefully. Eagles' Extravaganza is an auction that will allow you to bid for the right to own those players. Initial bids will be accepted via email to info@eastcoasteagles.com.au (quote Bid amount and group) and on the night at the annual Season Launch on Friday March 24th 2018 at The Fiddler.
2. If you feel that a particular player (or players) in a group represent a good chance to do the following throughout the year, then you should seriously consider joining the bidding process as it occurs.
 - ◆ **Finish 1st, 2nd, or 3rd in the Best & Fairest voting at Club Champion night in either, or both of Premier Division (First Grade) or Premier Division (Reserve Grade).**
 - ◆ **Finish 1st, 2nd, or 3rd in the Best & Fairest voting at Club Champion night in Division Two (Third Grade).**
 - ◆ **Finish 1st in the Best & Fairest voting at Club Champion night in Woman's Division One.**
 - ◆ **Be the highest ranked Under 21 player (as at 01/01/18) in the Premier Division First Grade Best & Fairest. If this player comes 1st, 2nd or 3rd in the First Grade voting, he is therefore ruled ineligible for the Under 21 category. The winner will be the next highest polling player in First Grade. (*eligible players for this category are shaded on the group listing.*)**
 - ◆ **Be named as the best East Coast Eagles' player in each of First Grade, Reserve Grade and Third Grade each week as decided by the respective Match committees.**
 - ◆ **Receive the first eligible East Coast Eagles' free kick awarded by the Umpires in each First Grade and Reserve Grade match.**

Note that Eagles' Extravaganza only runs across the minor rounds.

If you 'own' that player, then you will receive the dollar amounts as described on the attached final Payment Schedule from the pool of money accumulated throughout the bidding process. The exact total dollar amount will not be known until the final pool tally is calculated after bidding has been completed.

Please read the rules carefully which will be adhered to throughout the bidding process. The bidding will only be conducted at the Season Launch Night on March 24th 2018 as per Point 1 above.

There is an element of skill involved in picking your best players but to allow absolute luck to also play a part, we have again included the Free Kick award, which can be won by any player. This allows those people to participate who are not big punters, but do enjoy "buying a lottery ticket".

Players eligible to win the Under 21 best player category are shown “shaded orange” above. This includes “any eligible male U/19” in Group 18 who is not named in the above groups.

Group 14 & 16 will be classed as a “Mystery bet”. It can be added to without limits by players who may, prior to and including the last minor round game:-

- Be currently injured and are not included in any group,
- Be new to the Club after the date of this auction,
- Be past players who are returning to the Club.

This list is subject to change prior to March 24th 2018.

SOME OBSERVATIONS

1. The free kick award is totally a lottery. If it were the “first goal”, then players in the backline would be disadvantaged.
2. Early groups often represent good value in terms of amounts bid, owing to the pool having not yet grown sufficiently to form a view.
3. A player who might be regarded as a regular First Grader may be returning from injury through the Reserves. There is a good chance he might pick up the match day award on several occasions, or indeed poll heavily in the Reserves B&F in just a few games.
4. Having similar weighting on First and Reserve Grades in terms of dollar returns, means that all players are deserving of a bid and represent good value in the whole exercise.
5. The winner of the best Under 21 player category will be that player who is aged Under 21 as at the 1st of January 2018. Eligible Players are shaded on the group list. If a player (or players) from this listing finishes 1st, 2nd or 3rd in the First Grade B&F, they will be excluded and the winning U/21 player will be the next ranked player outside the top three placings. The considerable dollars on offer for this category winner will therefore go to a lower ranked U/21 player who may not necessarily be a favourite for this award.
6. Group 19 is a mystery and unlimited group. Players over age 19 arriving at the club, or those not included in any category before the end of the Minor Round will be included in this group.
7. Eagles Extravaganza will be conducted in the spirit with which you would expect. It is not intended as a major fundraiser, but is designed to allow a bit of fun and keep an interest throughout the season.
8. To the best of the knowledge of the Club’s Match Committees, all players named in Extravaganza are available for selection all season. If this is not the case for a particular player, details will be advised on March 24th.
9. Players are welcome to buy groups and participate in the bidding however the Club frowns upon those who award votes to be involved in the bidding.
10. All monies paid by Group owners will be placed in a separate East Coast Eagles bank account and payments for weekly winnings will be made monthly direct to the owners nominated bank account by EFT. End of season winnings will also be paid by EFT.
11. Assuming a final pool of \$20,000, then the maximum return for a bidder who buys the winner of the First Grade B&F and who wins every weekly First Grade B&F

match day award, would be \$6,200.00. (Ignoring any additional returns for first Free Kicks or returns from other players in the Lot #.)

WHAT ARE THE RULES?

1. After the announcement of each group on March 24th 2018, the auctioneer will call for bids from the audience.
2. Bidding will continue in each group until in the opinion of the auctioneer, there are no more bids.
3. The amount bid, and by whom, will be recorded and a progressive total of the pool will be displayed. It is also recommended that bidders keep their own record.
4. It will be up to the bidder to calculate the potential return from your purchase, which may in turn influence, the amount of money they are prepared to bid.
5. All wins throughout the season will be paid according to the percentage scales described in the Payment Schedule.
6. If you buy a player who is injured, or suspended, or misses matches for any reason whatsoever, there is no return of any portion of your investment.
7. In the event of a tie in any Best & Fairest voting tallies, either for the weekly awards, or the end of season awards for 1st, 2nd, or 3rd at Club Champion night and best U/21, the winning prize money will be shared.
8. The free kick award is that East Coast player who receives the first **earned** free kick given under the rules of the game. Examples which do not count as “earned” will be any free kick arising from a centre bounce infringement by a player going over the centre square, or a free kick given for “out of bounds on the full”.
9. The weekly Extravaganza match day awards apply to Minor Round matches only.
10. In the event that a match is not played for any reason, the weekly awards will jackpot to the next played round.
11. As new players are recruited or return to the Club before the end of the Minor Round, they will be included in Eagles Extravaganza into Lot 19.
12. The final pool will be reduced by 23%, which will be retained by the Club as fund raising. This is factored into the sample calculations.
13. A successful bidder does not necessarily have to be a member or player of the Club. However, it is intended that where possible, Extravaganza remains an East Coast Eagles funded event.
14. If there is a rule genuinely overlooked, then the Club President will arbitrate accordingly.
15. All amounts accepted as successful bids must be paid to the Club on or before Round 2 on Saturday April 14th 2018. Payment by any credit card will be accepted in which case there

will be a surcharge of 2.5% applied.
